PADI ADVANCED OPEN WATER COURSE PACKAGE MOALBOAL WITH ACCOMMODATION

PADI Advanced Open Water course provides divers with a structured means to explore special diving interests and gain dive experience. Participating in an Adventure Dive is often the first step novice divers take after their initial certification. However, all divers benefit from the programs flexibility and the opportunity it provides for discovery and exploration. The program allows student divers to customise their training path and learn various underwater tasks that broaden their awareness of the environment and their capabilities as divers.

2 nights, 3 days at Neptune Diving Adventure Resort (double occupancy) in air-con room with breakfast included. All PADI course materials and certification are included. All equipment for the durations of the course.
